Our chapter includes Manatee, Sarasota, Desoto and Hardee counties. We welcome all CMA's, MA's and RMA's to come and experience an opportunity to network, grow, learn and value being a Medical Assistant.

We provide seminars to help obtain your continuing education credits that are required for recertification for the CMA through the AAMA. (RMA's also welcome to submit for CCP's.) We know what members need regarding their educational, communication and career opportunity in today's ever changing world and will continue to help implement plans to meet those needs. Please check the calendar on the web site for more information on our Chapter's meetings and seminars.

2016-2017 Meeting Dates:

2016: November 5th-State Meeting, December 3rd

2017: February 25th, March 14th, and May 13th.
